Extensive research has been completed to compile this chart, but the lists that were used were compiled based on Customer feedback and may not be correct. If your machine type is in GREEN, please note that conflicting information was found. I will gladly send you a sample of each type of bobbin for you to try free of charge. To be 100% sure whether your machine takes Style L or 15/A bobbins, it may be a good idea to call your dealer.
